

COMMITMENT STATEMENT

Nutritional Resources is a family owned manufacturer of high quality portion controlled nutritional food products. It is our mission and obligation to provide customers with the highest quality products built on our commitment to continuous improvement and being driven to providing safe and wholesome, quality foods. We endeavor to maintain a business environment that enables both the customer and consumer of our products to experience exceedingly high levels of satisfaction.

To accomplish this, the business environment at Nutritional Resources is centered on a commitment to ethical conduct, integrity, trust, and strict adherence to government regulations, customer specifications, and our established HACCP Food Safety and Quality Programs. Food safety and quality are the responsibility of all employees and Nutritional Resources is committed to providing the necessary capital investments and resources to enable personnel to complete all tasks in an efficient and thorough manner to ensure fundamental food safety and quality practices are adopted and maintained. Nutritional Resources is continuously audited by internationally approved independent auditing agencies and federal and state agencies that assure we meet their highest standards. A designated HACCP certified SQF Practitioner has the responsibility to communicate the essential information to develop, implement and support Nutritional Resources, Inc. commitment to the food safety and quality objectives of the SQF Level 3 Code Edition 7.2

We will always follow these guiding principles:

1. We will always produce safe and wholesome products.
2. We will always produce products that exceed our customers' expectations for quality, value and delivery.
3. We will always produce products in the most efficient and cost effective manner.
